

Associated Builders &
Contractors of Western
Washington Invites You to

The Excellence in Construction Awards Showcase

March 28, 2012

5:00 - 8:30 pm

Meydenbauer Center

Rooms 404-406

11100 NE 6th Street, Bellevue

Western Washington

5:00 pm Registration, Reception & Showcase

6:30 pm Dinner

7:15 pm Awards Presentation

This is the night we honor the “best of the best” in merit shop construction — projects built by open and union shop employers and employees, working together to build the best possible project. Owners, architects, engineers, and project management teams are all honored during this innovative showcase event.

Each project team will have the opportunity to display their project during the showcase, allowing attendees to meet face-to-face in order to learn how each project was unique and overcame special challenges during construction.

The showcase will feature all submitted entries, since these projects represent the best from our industry. The winning teams will be recognized with trophies on stage. After the awards presentation, the winning projects will be highlighted in local trade publications. Please join us in honoring exceptional member projects and find out which ones are the “best of the best!” Dress will be business casual; all attendees will have networking opportunities during the showcase and dinner.

Associated Builders & Contractors of Western Washington | 11061 NE 2nd Street, Suite 200 | Bellevue, WA 98004
