

# ABC of Western Washington's Labor Emergency Kit

## Introducing the ABC Labor Emergency Kit!

This kit is designed to help you proactively prepare for labor problems and solve labor emergencies as they arise. The Labor Emergency Kit comes in a handy waterproof file bag complete with *everything you need, except your lawyer!*

The comprehensive manual includes vital resources on the following topics:

- |  |   |
|--|---|
| Corporate campaigns                      | Job targeting/market recovery                     |
| Leafleting                               | Organizing campaigns                              |
| Political pressure from public officials | Prevailing wage basics and coping with "monitors" |
| Salting/COMET/stripping/hiring           | Strikes   |
| Pickets                                  | Unwelcome jobsite visitors                        |

This kit is designed to be on every jobsite. It includes a disposable camera for recording disturbances, pickets or other problems; form letters; and all of the contact information that you need. It also includes materials for training your foremen and supervisors to recognize salting and organizing campaigns including the "*Pocket Guide to Dealing with Union Organizing*," the video "*You Are the Target*" and much, much more! This kit is available to *ABC members only* and costs \$100 per kit (includes sales tax).
