

Directions to the ABC Building

399 114th Avenue NE, Bellevue, WA 98004
425/646-8000, 800/640-7789

The ABC building is just south of the NE 4th overpass bridge over I-405 behind the Wallace Building, which is on the SE corner of 112th & NE 4th.

From I-405: Exit at the SE 8th exit. Turn west at the bottom of the ramp. Go one short block to the light at 114th SE, turn right. Go north on 114th and at NE 2nd drive around the triangular lane curbing that juts out and continue north. Turn left into our driveway just before you go under the NE 4th bridge. 114th dead-ends just north of our building and no longer connects to NE 6th. Our building is a one story beige/gray building with maroon awnings. Turn left into the driveway. The entrance to the building is on the north side of the building facing the bridge.

From I-90. Exit at Bellevue Way. Get in the right hand lane. At the second light, bear to the right at the Y intersection onto 112th Ave. SE. Continue north and go past Main Street, the Sheraton Hotel and two office buildings (on the right). Turn into the parking lot **just before** the right turn lane at NE 4th. Take the driveway south of the building, the Wallace building. The ABC Building is directly east of the Wallace Building. The entrance to the building is on the north side of the building facing the bridge.

NOTE:
114th Ave NE dead ends at NE 6th.
